"God has created each one of you with a purpose and a mission in this life. Sometimes we forget to listen to our own hearts and it's in our hearts that God speaks to us, that God calls us and invites us to know Him better and to live in His love. And through that listening you might be open to allowing God's grace to strengthen your faith in Jesus (cf. Col 2:7), so that you might more readily share that gift with others."

Pope Leo XIV audience to pilgrims July 5, AD 2025

We look forward to seeing you then ... and bring a friend!
