

St. Mary's Help of Christians Church Columbarium

There has been a growing trend over the past many years showing that our families are choosing cremation. Creating a sacred space on our church campus where their cremains may be placed is another way of honoring them, and allowing them to rest in their own faith community. A columbarium niche is an affordable option.

A columbarium at St. Mary's will make it convenient for family and friends to visit their loved one's final resting place as well as continue the churchyard burial tradition. The natural beauty and tranquility of our Parish Garden Columbarium is a beautiful and inviting place for remembrance, prayer and reflection.

We are now offering niches in our columbarium. There are 312 niches. The prices below include the perpetual care of the Columbarium garden and niches.
